The Midwives of Raglan Road Jenny Holmes
Summer, 1936. Newly trained midwife Hazel Price returns to the Yorkshire streets of her childhood, only to find that her modern methods and 'stuck-up' ways bring her into conflict with her family and other formidable residents of Raglan Road.

Determined Hazel battles on, assisting with home deliveries and supporting the local GP. The days are long and hard but Hazel brings knowledge and compassion to the work she loves.

Then tragedy strikes and accusations fly on Raglan Road. Will Hazel's reputation survive? And what of John Moxon, the man she is beginning to fall for - whose side will he take in the war between the old ways and the new?

A heart-warming, nostalgic tale of triumph over adversity that readers of Katie Flynn, Donna Douglas and Call the Midwife *will adore.*

It took me a while to get into this book as to start with I couldn't get to grips with who was cousins, nieces, grandparents etc. I kept at it though as I have previously enjoyed the other two books in the series. Glad I did as its a good story with a few twists and although I am still a bit clueless about all the family relations in it, it doesn't seem to matter any more. A good first book of the year

Mary Geraghty says

Brilliant read!!

Interesting from the historical point of view, how the characters fitted in to the story. It covered so much of the times and how people lived. Poignant, yet joyful.
