Kekurangan dlm novel ini adalah kalau saja ceritanya tidak berputar-putar soal kutukan, akan jauh lebih baik. Jujur saja saya agak geli dgn sotoy-nya Virginia yg seolah-olah pakar soal mematahkan kutukan.

Kelebihan novel ini, saya boleh bilang utk ukuran Harlequin, tergolong HOT dan lumayan bikin kipas-kipas. Tertarik? Silakan baca.

Well, I've read many modern romance stories but none so far involves a curse or modern-time witches... Overall it was a nice effort. I have to say I love Formula 1 myself so this book was an interesting surprise. In this trilogy of KG three Italian brothers carry a curse that makes them having to choose to achieve in love or job. Never both. The first to be cursed was their grandfather Loretzo by the woman who loved him but he didn't love more than his cars. But the curse also made his rival's descendants' lives devoid of love. Now, Marco has to have baby with Virginia in order for the curse to be undone. But love is something they can't let intrude in their lives because of the consequences...

Formula 1 and ancient curse. Nice thing to combine.

An interesting take on the consequences of a spell or curse. Her grandmother cursed the Moretti men to only be happy in one side of their life but also cursed her own line to loneliness. Somehow they believe the mix of their bloodlines: a child will solve the curse. But as the saying goes, "It's not the power of the curse, it's the power you give the curse." There's a racing crash, new friends, family arguments, and a little corporate espionage.

A romance switching male and female perspectives is great when it is well written like this one. And the passion is there. Great read. Great re-read. Want to read the other Moretti books. Want to read the other Nascar books. Could have used more mysticism to build up the curse plotline. And the ending was small; half a page when he asks her to marry him.

sebenarnya ide ceritanya bagus. itulah kenapa memutuskan untuk membeli buku ini karena tertarik setelah baca sinopsis. Tapiiiii..sayang sskali pengembangan ceritanya kurang greget.di awal sdh menggelora eh di pertengahan hingga akhir jadi melempem. Halaman tipis dan cara baca cepat, novel ini tuntas dalam 2,5 jam saja. Kalau dikembangkan atau ditambah bbrp bab lagi jadi bisa kerasa konfliknya.
