Inspiring!

Great devotion! I liked that they listed several translations of the daily bible verse... The Message translation is easier to understand..

Kathy Brown says

good to use as a guide

I used this guide for the month of January. good reminder of how strong our faith should be. Meaningful,prayers for each day.

Mary Ann says

While it was a nice day to day, I found that different versions of the same verse were harder to slog through. If it had been one version that was easier to understand would have been more enjoyable.

Daily scripture reading

This is an excellent book for daily scripture reading. It a scripture directed study for Christian and for new Christians

Lynn Hallbrooks says

This is a Christian Devotional book.

Each day has a Bible verse or verses. Each of which had different versions of the Bible - KJV - AMP - The Message - NASB - verse and Thought for the Day and an ending prayer.

I enjoyed the different versions because it gave a more in depth meaning to the verse(s).

I did not like that the prayers were often repetitive and wordy.

James Bas says

Not my taste

This book has too much of an ego focus for my taste. I am not as much into what God can and does do for me as into walking humbly with God and lovingly with others.

Eileen Carter says

Good

I liked that this book had various version of the same verse from different bibles. it was interesting to

compare the wording as well as see how the wording on one day worked one day but then on another day a different version was better fit to me and my heart.

Vicky Connelly says

I thoroughly enjoyed this devotional.
