Anthony says

Fox is reluctant to take Louise to the park as his mother asked, but he changes his mind when he meets a pretty female named Raisin there. Fox takes a picture with a different female everyday of the week, but is soon found out by all the girls. Fox enters a dance contest and when his partner gets sick he dances with Louise.

Karissa Butikofer says

This story is about Fox. His mom has asked him to take his sister to the park, He refuses but his mother gives him no choice. At the park, he meets a beautiful fox named Raisin. He lies to Raisin about how much he loves spending time with his sister at the park. The next day Fox wants to go to the park, but his sister doesn't. He doesn't give his sister a choice and meets Raisin again at the park.

Leiya says

Its about these fox and his name is fox. He took 3or4 different girls to the fair and took pictures with these girls.. well the next day he was with his girlfriend and the pictures fell out of his pocket his girl got mad. he and his girlfriend entered the dance comp. and she got sick he made his little sister be in this dance comp as his partner. they won in second place.

Chris says

fox was watching tv when his mother told him to take his little sister to the park so he did and he found a girl.

Dolly says

This is a fun book of three short stories about a fox. We've read a few other books in this series and they are entertaining and good for beginning readers. We borrowed this book from our local library as part of a kit with an audiocassette, which appears to be narrated by the author. We enjoyed listening to the tape as we followed along with the book.

Cordellya Smith says

Fox is a cad, but the story will keep young readers flipping the pages.

Kay says

This was a book my niece shared with me. Cute book with mini stories within. Characters appeared in all stories and were well developed and grew throughout. Good for young readers or bedtime.

Adrienne Pettinelli says

You really have to like a book that teaches kids how to read and boys how to behave like gentlemen at the same time. The world might run a bit more smoothly if all the boys read this one. ;)

Genesis says

The book was about one fox he no kiere ir al park with his sister and the park I conoce a Raisin y se enamoraron.

Daniela says

This book is about a little fox want to take his sister to the park but he finally took her and at the park he meet a girl and he was in love with her. One day he took her to a place to took pictures with her and she find out that he use to take all the girls there to take a pictures with him too. And she left him.

Ami says

Really all the Fox books are fabulous. Anything by James Marshall. We have been enjoying "The George and Martha Difinitive Collection" since I ordered it for myself for my birthday. (thank you Amazon) I normally don't put the kids books that I read on my Goodreads list....but these are all too good NOT to put on!

Cana says

Mommy says: Most books that a 5yo can read have pretty boring subject matter. But the Fox series have edgy plots and characters (well, edgy for a 5yo). I caught my daughter reading them on her own in her bed after lights out. If that's not a ringing endorsement, then I don't know what is!

Samantha says

Fox falls for Raisin and lies his very best to impress her. In another episode he takes out a different girl everyday of the week and Raisin finds out. In the last story, Fox and Raisin sign up for a big dance contest, but Louise (Fox's sister) subs in when Raisin gets the mumps.

This might be my favorite volume of Fox stories yet. He's such a rascal in this set of stories!

Lourie Chiong says

This was actually the first chapter book I ever read and it started my love affair with books. :)
