**Reclaimed: A Highland Historical Trilogy (Highland Historical, #4-6)** Kerrigan Byrne  
Meet the MacKay Banshees...

Katriona -

Her last memory is of her violent death, and now she's screaming for vengeance.  
He's a Laird with enough sins to stain his soul, but he's cursed for the crimes of another.  
With a clan divided, an impending marriage, and whispers of dark magic threatening the Highlands, a tempting Banshee is the last thing he needs in his chambers.

Kylah -

She was brutalized and burned alive, but denied her vengeance by a cruel twist of fate.  
He's a ruthless and brilliant Druid driven mad by his quest for retribution.  
Two Souls have lost themselves in the tormented secrets of the past and can only find redemption in the dangerous desires they thought long dead.

Kamdyn -

She's a Banshee assassin who's not yet killed a man, and her first mark had a carnal proposition too seductive to resist.  
He's the notorious Laird of Shadows, a rogue Berserker terrorizing the Highlands in search of a warrior's death.  
When a mistaken kiss binds their souls together, she must prove that love, not fear, changes the course of destiny. Because if she doesn't, she'll have to slay him or face unthinkable consequences.

### **Maree Repa says**

The MacKay Banshee Adventures

I was so completely thrilled and so excited to read yet another wonderful historic fantasy adventure. I have so thoroughly enjoyed all of Kerrigan Byrne books so dearly And was just so excited to enjoy these three marvellous looks through the MacKays Banshee stories.

With this first emotional and spectacular storyline called Released, showing the strength of Katriona MacKay. She waited for the right time when she could destroy, and kill Rory MacKay. He and his family lived in pure luxury and still indeed lived his brutal life while other lived so desperately unhealthy and dying. Yet she just knew she couldn't. She didn't know why she felt that way. Maybe it was lust. Or even love.

Such an exciting and most brilliant and romantic three stories. I just loved and adored all of them. So beautifully written and such a fun book to enjoy!

\* I recommend this book to everyone!

---

### **Kbee says**

AUDIOBOOK: listen to 27 & 28 December 2013  
19hrs 13min.

Narrator: Derek Perkins does a fantastic job of it.

Released...Rory & Katriona...Like this one more than the first set (3in1) in the series. I would give it a 4 star rating.

Redeemed...Kylah & Daroch the Druid...Really like Kylah her innocence makes her real in some ways and she makes us laugh because of it. Like the way she calls him Daroch "Mud Face" Mc Cleod. Also a 4 star

Reluctant...Soren & Kamdyn...Laird of the Shadows was a mean Beserker but Little Banshee Kamdyn brought him back on the good side instead of doing what she was told. This one went to fast to quick and to easy but Kamdyn was really well developed so this one also gets a 4 star.

---

### **Stacie says**

4 1/2 Stars!

This was a very good novella trilogy! Book 2, RELEASED was an absolute winner for me-5 stars! I was very impressed by the collection. The characters were surprisingly complex and well developed. As were the plots. I enjoyed this very much and highly recommend all three sets of trilogies. Especially if you enjoy Historical PNR.

Suggested reading order: INVOKED, UNLEASHED, RECLAIMED. Each book contains three related novellas, but each has an ending with no cliffhanger. All the books in each trilogy set are also available individually. All available in Kindle Unlimited as of 12/16/2018

Happy reading!

---

### **Tiffinie Helmer says**

A screaming good time! I read all these stories when they were released individually and loved them so much that I had to buy them again in the set. The second read-through was even better than the first. Do yourself a favor and buy this bundle of sexy Highlanders and the Banshees who are out for vengeance and end up with love instead. Extremely well done.

---

### **Laurie says**

Love this author! I thoroughly enjoy a good Highland tale. Banshees and Berserkers and Druids, oh my! A woman was forced to watch her daughter be defiled by the Laird and his men and then she and her daughters were burned alive. Her daughters perished in the flames, but she survived. Before the embers faded, she uttered a plea to the Fae Queen for her daughters to have their due revenge and thus, the three became Banshees...for a price. Three tales, one for each of the daughters murdered, are in this compilation. Each is charged with finding and killing their murderer. These are laced with mysticism, lore and the paranormal. Searing romance is woven in deftly. What awaits these three in their quests? You'll have to read it to find out.

I just have to say, that the author's writing skill seemingly transported me into the story and I saw and felt everything the author described. What a journey! Thank you, dear author!

---

Lusty and Sexually Graphic so mature readers only.

### **Trish R. says**

#### **Reclaimed**

I was telling myself all through this story that I wasn't going to like the end because as a banshee she was already dead. But I continued on and I'm so glad I did. What a great little story. You couldn't help but love Catriona, even as she tried again and again to kill Rory while she also desired him. I did like Queen Cliodnah. And Lorne was really kind of funny, he was just no capable of talking quietly. I was sooo glad that they didn't go to the stable for "straps and whips and whatever apparatus may catch our fancy," until the very last two pages. Their one sex scene was very, very nice and I didn't want it ruined with whips and other

crap. 5 stars.

#### Redeemed

Another great story. This time about Kylah and Daroch. It was a very nice story but I'm sure glad Daroch finally washed and stopped putting that mud all over himself. Nothin' appealing in that. Some nice sex in this but no sexual tension to speak of. And, boy, again that Queen Cliodnah and her killing minion Ly Erg were really something. So, the next one is the last one and I can't wait for Kamdyn's story. 5stars

#### Reluctant

I was beginning to think that this book was only going to have Soren and Kamdyn as the only players, it went on so long with just the two of them. And I really wouldn't have minded, either. Their conversations and were quite funny and entertaining. LOL.. Kamdyn wasn't much of a killer. And the MacLauchlan's turned out to be a little less than blood-thirsty (and Lindsay was pretty smart.) I wasn't crazy about their first sex scene because it was so violent but I could overlook it because it was such a cute story. It was nice to see Rory and Daroch again. 4 stars.

I got this book free with my KindleUnlimited but I would have gladly paid for it.

---

#### Anne says

I love the way Kerrigan Byrne tells her stories they are so well written. I prefer that the sex wasn't so quick I like the Hero and Heroine to get to know each other first but that's just my preference. The stories are very different with Banshees and a lot of excitement.

---

#### Kelly says

I listened to the audio version of this and oh my Derek Perkins brings Kerrigan's beautiful words to life. I loved everything!! I want more. Highland magic at its best.

---

#### Carmen Terronez says

I really enjoyed this trilogy. I enjoyed the chemistry between the banshee's and their mates. The trying emotions they had to work with. The possibilities of the unknown but more importantly their fierce love for family.

---

#### Ashley says

Another BookBub deal. The first novellas in the trilogy seemed more thought out and put together than the last. It would have been interesting to see this expanded into novels where Byrne could have explored the plots more in depth.

---

### **Lorraine Lesar says**

What a lovely way to introduce us readers to the world of the "banshee". To the uninitiated like me, banshees have usually met death in a most horrible of ways and then, to get their revenge, they scream their victims to death! Three short banshee stories in one book. Three sisters all met a horrific death and given their chance for revenge, accept that this being a sexy romance trilogy, all three sisters fall in love instead. Though these are short, as already stated, the author wraps up things very nicely, leaving no unanswered questions, everything is explained neatly and clearly, which shows the calibre of writing by Ms Byrne and did I mention the very sexy love scenes....overall, a highly enjoyable read and I would strongly recommend.

---

### **Hbeebti says**

4.5 This was so great! I loved the first trilogy about the Berserkers and this one was no different. I loved the way the Banshees were written. These three sisters died in a horrific fire and were turned into Banshees to seek vengeance on those who hurt them. So freaking good! I think the second story about Kylah and Daroch the druid was my favorite. But the other two were really good as well. This author has a way with writing about the Highlands and I loved it.

---

### **Alexis says**

I enjoyed this. Three short novella's on the life of 3 sisters who are now banshee's. I wasn't disappointed. The first two stories were great and just when I thought that they didn't need the third, I thought it was almost too much, it ended well at the second. But the third one goes and is just as good as the other two. I liked them all.

---

### **Joy says**

I'm reminded of the screaming meemee tales I was told as a child. Terrified me to death so I wasn't sure going into this if they were for me. I was pleasantly surprised.

**RELEASED:** Katriona and Royce. Cursed for the sins of his father and twin brother, Royce is wracked with guilt. A ghostly Katriona has come to collect and Royce unwittingly becomes her target when he reveals his twin is no longer alive on his order, thwarting Katriona's quest for vengeance, banshee style. Bah could have done without the marriage or the body replacement thing, never was my favourite turn of events.

**REDEEMED:** Kylah and Daroch the Druid or Daroch *mud face* McLeod. My favourite of the three. Having met him once already an intense fascination to know more about the Druid drove Kylah to hunt him down to his cave. At first Daroch wanted nothing to do with Kylah and her irritating curiosity, he couldn't afford the distraction, not to his mind, not to his body and not to his quest for vengeance against the Fae for exterminating his race.

Her eyes fixed on the string of shells at his temple and followed the long strand down to his chest. "Why?"

*If she asked that question one more fucking time...*

Vengeance quests mixed with hilarity. Love the combination.

**RELUCTANT:** Kamdyn and Soren the Berserker. Kamdyn is ordered by the Fae Queen to kill Soren because he's out doing dastardly deeds that no one understands. Kamdyn tells Soren of her deadly mission surprised that he's unafraid to face death, even welcomes it. Of course Kamdyn is curious about the Berserker and delays are inevitable while they get to know each other better, a whole lot better if you get my drift.

Someone mentioned these are a spin off yet I didn't feel I'd lost anything by reading these alone. Still I'll be watching out for anything else that floats by from this author.

Profanities and explicit sex scenes.

---

**Ø???? [Punya Reviews...]** says

I've read all three short stories, two of which I gave 4.5 stars. Overall, this would be a fun collection to grab and I highly recommend!

My reviews as follow, but beware, **spoiler alert** applies!!
