## **Roommate Wanted** Nina Perez

It's official: Chloe Brooks is having the worst week ever.

Her roommate has just moved out with no notice, leaving Chloe little time to find a replacement, the pressure is on at work as she vies for a big promotion, and she just caught her boyfriend in bed with another woman. She doesn't need any more complications, but that's exactly what Chloe gets when Patrick Murphy shows up on her doorstep.

Life is good for Patrick Murphy.

He has an agent who can help kickstart his acting career, his relationship with his best friends has never been tighter, and he's saved up enough money to finally move into the city. Now if he can just find a place to live...

There are many reasons why they shouldn't be together: They're both focusing on their careers, Chloe is coming out of a nasty breakup, and is it ever a good idea to date your roommate?

Roommate Wanted is the first book in the Sharing Space series, a contemporary romance about an interracial couple who ignore all the reasons why they shouldn't be together to focus on the one reason they should: love.

Roommate Wanted will be available for Kindle devices in September 2013. A new volume will be available every 2-3 weeks.

# From Reader Review Roommate Wanted for online ebook

## **DKristin says**

Short, adorable, hilarious, and very well written! On to the next...

---

## **Camille Adams says**

What? I didn't know it was going to end on a cliffhanger.

This was good. A cute, easy, fun, little read. Somewhat too 'hood-ish' at times for me but overall it was diverting.

---

## **Tina says**

4.5 stars.

The book works on a lot of levels. It creates a compelling story, it is well written and as an IR romance it doesn't dwell on race but uses it rather realistically,imo, given these two people. It also feels energetic with being centered in the City and it's inclusion of all types of people.

My full review of first installment here

---

## **James says**

The author of The Twin Prophecies kickstarts another series with this belter of a story. Although this particular genre wouldn't necessary appeal to me, I really enjoyed what Nina Perez did with her characters in such a short space of time. I for one eagerly await the forthcoming second part. What a way to leave a reader panting for more!

## **sraxe says**

This is the first of six installments in the Sharing Space series (or a part of the now-combined book, Sharing Space). I really liked Chloe and Patrick, though we don't get as much of his POV as we do of Chloe's in this one. I thought Chloe was super funny and found the book hilarious.

"I'm not the plumber," said the plumber.

"Look, Lou, Mr. Tucci said... Wait. What?"

"I'm not *the* plumber. I'm not *a* plumber. I'm here to see the apartment."

"You are?"

"He is?" asked Lawrence.

"Shut up, Lawrence. Listen, there must be some mistake. Did Mr. Tucci send you? He told me I could try and find a roommate on my own first. Look, I have a four o'clock coming in any second now. Pat Murphy."

"I'm Patrick Murphy," said the plumber.

I immediately hung up the phone. "You're a woman. I mean, Pat Murphy is a woman."

The man in my foyer smiled. "Well, I've been called many things, but never that."

Although I marked this book "romance," I only did so because it's eventually going to get into that. So far, there hasn't been anything romantic that's happened, though this installment was only seven chapters, so that's understandable. There were little moments of awareness that the both of them had, with Patrick and Chloe noticing that the other is attractive, but nothing happens between them. I liked that because I prefer the slow-burn over characters jumping into bed with one another. And Chloe and Patrick have only known one another for a couple of weeks.

There is some OM drama, with Chloe having just broken up with her boyfriend, Lawrence. She caught him in bed with another woman and immediately dumped him. However, he doesn't want things to be done, so he calls her throughout the book, including showing up at the apartment once (while Patrick is there) because she's been ignoring said calls. They were together for less than a year (having met just eight months ago), and she wasn't in love with him, though she does admit she was close to it. With Patrick, there hasn't been any mention of OW or of his past yet, but it was only seven chapters, so we'll see if it comes up at a later point.

What I love so far is that Chloe doesn't have a terrible past sex life or sexual hangups, mentioning that things were good between her and Lawrence. She does say that if she bothered to listen to Lawrence's excuses about the cheating, she might feel inclined to look past it and forgive him because she'd want someone there at night because she's lonely. However, she does outright say that it's not Lawrence she wants back specifically, just the companionship.

I'm enjoying it so far and I'm looking forward to the rest!

(And, just for clarity, while the installment is called "Roommate Wanted," it's because her roommate, Grace, is moving out, not because she was living with Lawrence and they've just broken up.)

## Melody says

Nice read

---

**Catherine says**

Having read all of Nina's other books I was anxiously awaiting the release of this series. It's an amazing start for the series and I cannot wait to read the rest of it as it comes out.

---

**Lucretia Garrett says**

I am so excited for the next installment, this is such a good story so far.

---

**Laci says**

Dear Book, I'm sorry you had to follow Raw. I feel like if I would've read this at a different time it may have had a different effect but unfortunately it just didn't grab me.

---

**Joseph says**

A great start to what's bound to be a spectacular series of books!

---

**Sheila Lord says**

Wow what a cute fun story..... And I wasn't expecting a cliffhanger..... But it's such a good book I need to get the rest of the series

---

**Sandra says**

Really enjoyed this first installment.

---

**Samone Black says**

Like all of Nina's work, this is fantastically written and I will definitely be reading the rest of the series. The only reason I gave it 4 and not 5 stars, is because its a genre I wouldn't normally read and the only reason I did was cause its Nina. I think the fact that I have read every single one of her books and rated them 5 stars says it all about what a great author she is and if this is your kind of genre, then you **MUST** read it!

---

## Sitahiri says

Me encantó!!

Nina, gracias por presentarme a mi nuevo book boyfriend: Patrick Murphy \*.\*

Una lectura ligera, un cambio refrescante...

Una trama simple y sin complicaciones, pero no me malinterpreten, es exactamente esta simplicidad y el modo en que fluye naturalmente lo que la hace una gran historia.

Una historia con escenas divertidas y protagonistas con problemas comunes que todos podemos tener.

Las conversaciones de Chloe con su amiga, y consigo misma, su reacción al conocer a Patrick, sus conversaciones con él, todo me tuvo riendo la mayor parte del tiempo.

En esta primera parte más que nada conocemos un poco de los personajes y de sus familias.

Chloe es una chica divertida que lucha por lo que quiere, que no le importa mucho los estándares preconcebidos de los demás con respecto a la raza y que no teme decir lo que piensa (bueno, siempre y cuando no se trate de su mamá, ya que con ella más bien usa la delicadeza y evita conflictos)

Después tenemos a Patrick, aspirante a actor, pero con los pies en la tierra. Ya que sabe que no es tan fácil obtener una oportunidad en ese ambiente y tiene como respaldo económico un trabajo de tiempo completo en lo que se da su gran oportunidad. Centrado, divertido, educado y con una sonrisa de 1000 votios con hoyuelos incluidos en el paquete.

En resumen, digamos que la historia que se desarrolla en esta primera parte de la serie es como una buena comida, ningún condimento sobrepasa a los demás, sino que todo se une para formar un sabor delicioso que te deja con un buen sabor de boca, satisfecha y pidiendo más.

Y...

La recomiendo ampliamente! Así que vamos, cede a la tentación de darle una probadita a esta divertida historia
