Totally Captivated, Volume 2 Hajin Yoo

The mafia threatens Ewon into working for a loan shark, where he's forced to run dangerous errands for no pay. The culprit who doomed Ewon to this life is none other than Jiho, Ewon's jealous ex who still burns at Ewon's infidelity. Their gang leader Mookyul, with movie-star good looks and the bizarre, drunken habit of biting people on the neck, takes a keen interest in his attractive new errand boy. Will Ewon be able to survive the violent underworld (not to mention the constant sexual harassment) he must endure as an underling of Mookyul? This funny, hip title by Hajin Yoo will thrill and amuse fans with plenty of intense shonen-ai action.

GAH! It ended with a huge cliffhanger!!!

Seems like I got to know Mookyul a little better and I'm glad Ewon finally told him off!

Kate Medina (alittlereader1) says

El penúltimo capítulo me encantó, a pesar de que el último me dejó confundida sobre la extraña personalidad de Mookyul. Ewon me gusta porque es el único que aparentemente le pone freno al gángster, aunque aún no entiendo muy bien sus sentimientos.

Lo cierto es que la cosa se está poniendo buena *-*.

Por cierto, hay unos detalles en el manga que me hacen reir mucho y son la cosa más genial, como cuando Mookyul le dice a Ewon "¿A dónde crees que vas?" y Ewon se detiene porque esas palabras son un grillete que lo obligan a detenerse. Hombre, son detallitos fantásticos que me están gustando mucho. Muy bueno.

Interesting storyline with a plot that kept me interested throughout the whole series. The two main characters, Ewon and Mookyul, grew on me as the story went on. Their love story is not without its funny moments, with bits of angst thrown in too. Certain moments will make you laugh out loud while others will tug at your heart strings. The artist did such a good job of blending both. This manhwa is definitely one for keeps.

I like the story but

I'm very offended by the MC's love for nazi uniforms. It's disgusting. The nazis killed millions of people. Wtf is wrong with him.

SaturNalia says

Mookyul and Ewon's past is revealed. Both are orphans and went to the same elementary school. Ewon's actions toward Mookyul got Mookyul kicked out of school. Ewon's parting promise to Mookyul have been plaguing Mookyul but Ewon doesn't remember. Mookyul is fierce and violent but is lonely inside. Ewon is still oblivious to the emotional chaos his actions cause. I'm rapidly losing interest in the couple. I find Mookyul interesting and his relationships with the people around him, but Ewon is dragging my enjoyment

down because he is so simple.

I was very entertained - dare I say totally captivated (snicker) - by this series! The relationship between Ewon and Mookyul develops nicely from beginning to end of the series. Both are flawed characters, and handled very well. The secondary characters and situations fill in the story without detracting from it. A good read. This review repeats for the whole series. :D

Great second volume.

A.J. Middaugh says

"Totally Captivated" remains today as one of my favorite yaoi manga - why? It is fast-paced. It is romantic. It is sad, it is hysterical. I cried and laughed, blushed and rolled my eyes.

Mookyul and Ewon...I just ship them so bad. There's that as well.

Not only were the back-stories brilliant, and the main characters brilliant in themselves...but all the side characters were just as deep and amazing!

And the plot! Oh my, the plot!

Above all, the series was brilliant. By the end, I was, indeed, "Totally Captivated."

Argona says

Rereading this after years, I can see why I fell in love. the second volume is much stronger than the first one.

B. Jean says

Again, this is still just the beginning of the series. Also too short to justify that \$6.99, but I assume I'll read this again in the future. Manhua is kind of like that. Anyway, we're just getting into the actual meat of the story.

Heather says

Volume 2 reveals a secret past between the main characters. There's a lot of action, a lot of comedy, and finally the beginning of a romance!

I love this series but the plot wouldn't be nearly so interesting if not for such colorful characters. Excellent writing, gorgeous art!

Jamie says

I feel the Ewon is starting to show a bit more depth in this one. I like how he is starting to stand up to Mookyul. Mookyul is so spoiled in too many ways. Most of them bad though. His boss creeps me out. I like how this volume explains more of their past but why Jiho hooked up with Mookyul is still a mystery. I though he would play a bigger role but it is still small. Honestly some of the other mafia members have larger roles in this story so far than the lover does. That frustrates me some. I am quite curios to learn what happened to Ewon as a child. We get a vague hint but I want more! Next volume please!

Bhawisha Chand says

3.5, I rounded it up because it's surprisingly hilarious for a story involving 'gangsters'

Amanda Setasha Hall says

Great art and comedy that lived up to the first volume. I totally love that the main characters hate each other.

Anna 'Bookbuyer' call me bookbuyer. ^-^ says

That ending! Poor Mookyul thinking he found his lost love but Ewon forgot it all! >.<
