# Unlucky Pony

*Jeanne Betancourt*

**Unlucky Pony** Jeanne Betancourt

Eve needs help. Her pony is spoiled and hard to control. The Pony Pals are happy to train Lucky and teach Eve how to manage him, but it won't be an easy job! Will Eve have to give up her pony?

### **Twyla says**

lucky needed to be trained so they kept him until he was good enough to go home and eve could o on trail rides with daisy

---

### **Megan says**

i enjoyed this book very much and want to read every single pony book in the world.

---

### **Jasmine says**

horsey

---

### **Samantha says**

I enjoyed this book. It's great to see the issue of training a young animal right, as there are people who give no thought to this. It was easy to see what Eve was doing wrong, but it's not something a young child would have thought was an issue, and the Pony Pals did a great job at addressing the issues in a teaching manner, rather than simply getting after her.

---

### **Laura says**

read them all

---

### **Alisha Brook says**

Pony Pals was one of my favourite "horsey" series growing up. Jeanne Betancourt has a writing skill that makes the books easy to read and interesting. I read many of the series and I was enthralled with each new story.

---

### **Alexandra Lindner says**

Love the series!!
