## **My Hare Line and the Uninvited Visitor Patsy M. Henry**

Mrs. Warden is very protective of the bunnies and wants to keep them safe. Rascal, however, thinks he is big enough to take care of himself, so he decides to spend the night in his rabbit hole. He soon realizes that he is not so big after all. Follow along as an uninvited visitor surprises Rascal.

### **Teresa Munoz says**

It's cute. Can't wait to read it to my students when school starts. I also enjoy how she uses live pictures instead of drawings.

---

### **Mandi O'mara says**

My son and I loved it! We enjoy reading the adventures of the Hare Line rabbits and Mr. & Mrs. Warden. This one in particular was really fun, so make sure you don't miss reading it!
