Taz Will says

This one had me reading but it needed a bunch of work because the story didn't flow and it was hard to connect with the characters. The ending was enough to pull you into the next one but I doubt I'd read it if it takes a minute for it to come out.

Rhonda says

Loved it!!!

This was a great book. It left me wanting more. I love the characters. 1st time reading this author and will definitely read more of her work. Good job!!!

Shannon says

I didn't like Nadège and Za'adore's mothers. They put them in the worst predicaments. Avian is crazy and I hope Nadège gets away. Sam was definitely wrong how he did Za'adore, but he will get what's coming to him. I like Za'adore and Kemori together. I can't wait to see what happens in part 2.

I really like Kem. He's a good dude deep down. Avi on the other hand is weak. He should have stood up to his daddy a long time ago.

Latoya Brooks says**Ok**

There was plenty of drama in this book, but I found myself skipping a few pages to get to the point. All that stuff happened and they still haven't graduated
