## **The West Series Boxset Jill Sanders**

Loving Lauren:

Lauren had been raised to not be afraid of anything, and she lived by that code, that is until her dad died and left everything in her hands. Now she's not only in charge of her two younger sisters, but she's running a full-blown Texas ranch. Caring for a thousand-acre ranch has its ups and downs, physically, mentally, and financially. All she is looking for is a little break. What she doesn't have time for is someone who will only complicate her life further.

Chase is back in his hometown. Helping his dad with his veterinary practice is high on his list. So is being with the lovely Lauren West. Years ago, he found a unique way to bind them together. Now all he has to do is prove to her that he's the right man to spend the rest of her life with.

Taming Alex:

Alexis has always been the wild child. She's the girl everyone always gossips about behind her back. Now that she's engaged to the town's bad boy, Travis, she finally thinks she's heading in the right direction. Then life throws a tall, dark, and good man her way and causes her whole world to shake.

Grant's back in town. Helping his father with his legal practice had never been in his plan. But after trying to live in the city and deciding it wasn't for him, he wants nothing more than to settle back down in his hometown. He even buys a small farm to prove to himself that he's back to stay. After stepping in and helping the town's bad girl out one night, he starts to see beneath Alexis' act. Now all he needs to do is convince her that choosing a good guy is not always a bad thing.

Holding Haley:

Haley has waited her whole life for Wes. They were secret sweethearts all throughout school until he shocks her by joining the military right after graduation. Heartbroken, Haley must wait until the day he comes home. But it's been five long years, and she has finally decided to move on with her life. That is, until he walks back into town, sexier than ever.

Wes has had one thing on his mind since leaving town—getting back to Haley. His experiences overseas have made him realize what he almost let slip through his fingers. All he wants now is to prove to her that waiting for him was the right choice.

### **Carol and Gary Curtis says**

Well done series centered around three sisters. Each has their own issues, often connected to trust issues. Dialogue was entertaining throughout. Worth the time.

#### **Phenomenal books!!!!**

I love Jill's books, she is one of my favourite authors.

I love this series.

I love these books from start to finish.

I loved the characters and the stories.

#### **Good read**

The three sisters are strong, but sensitive, hard working, sweet, but loaded with vinegar, wildly independent, but dream of love. Their men are smart, hard working, sexy hunks. But will they let them catch them and love them? Some danger, a tad mystery, and loads of hot sex and romance.....or there will be, if the females will just cooperate. Highly recommend.

#### **Three sisters in rural Texas**

This is an unusual set of stories, I think. The three West sisters grow up on a ranch near a small Texas community. Their men also grow up in the same town, but leave and then return for various reasons. Then they have to work to earn the love of the West sisters.

This is a spicy set of stories. I have a few nit picky things that bother me about the stories, but not enough to reduce my enjoyment.

"She'd learned one thing in the last few years after seeing both of her sisters fall in love with great men—sometimes you just had to take a chance and hope everything worked out." Thought Haley.

### **Bette Stanek says**

It was OK. Very cookie cutter. In small town Fairplay, TX, the three West sisters are trying to make it on the ranch they inherited.

Lauren is the oldest and has shouldered the burden of raising her two sisters almost since she was eight years old, the day her mother was killed in a tornado. At the age of nineteen, her father dies suddenly, leaving her with a mountain of debt. She's offered an easy solution by Chase Graham. She never expected him to return.

Alex is the middle wild child. She's worked at the local diner since she was a sophomore in high school. She likes knowing all the gossip and what better place to get it than Mama's Diner? She has also been dating Travis Nolan since her sophomore year. They've broken up at least a dozen times, but she can't seem to stay away from him. She knows she should, but there just aren't very many options in Fairplay. Until the day Grant Holton rolls back into town. Grant certainly isn't anything like he was when he left Fairplay all those years ago. But someone doesn't like Alex noticing Grant....

Haley is the youngest sister. She doesn't ever really remember not loving Wes Tanner, her best friend. They grew up together. She always thought she'd marry him. Then, the night of their high school graduation party, she learns that he's leaving for the Army the very next morning. You'd think he'd have remembered to tell her that little detail. She vows to never love like that again. Wes quickly realizes the mistake he's made, but there isn't anything he can do about it right now. He'll have to wait until his time in the service is up and hope that Haley is still available. And, that she'll give him another chance.

.

The set of these three books were wonderful. I enjoyed reading them very much. There wasn't anything about this set that I didn't like. I would recommend this set to everyone!

### **Jessie Brown says**

You can't help but fall in love with the characters in this series. I adore all three sisters but I myself can relate to and find myself more drawn to Alex...with her tough stubborn attitude that she hides behind until Grant. I love how each couple fits together perfectly, and the relationship between the west sisters is what Family is all about. Jill Sanders really did an amazing job with the West Series, and I would definitely recommend the whole series.

### **Yasmin Vasquez says**

Since this was all three books I have already reviewed loving Lauren but Alexis and Grant what a good love story and as a couple they compliment each other very well. Hailey and Wes also a sweet story first love and true love! You can't help but fall in love with the West family and the town of FairPlay! I'm loving the series!
