Addicted to loving a boss

My first series by this author and I was not disappointed. I loved the friendship Isa and Maylan they was there for each other. Abel made me sick who do they kids like that. The ending is something else I will definitely be reading part 2.

CrazyTiltedHalo_BookPlugTyeis Washington says

These Niccas

I swear these fools is fools in this here book. I try to think Vernon can't be that fool and simple. Birch I just don't know about him. Liqueur and Celeste and Kelsey ALL need to catch bullets. I would say hands but the two Wonder Twins can't damn fight.

Great book! Can't wait for part 2

Shirlyn says

Bad break

Isa and Maylan can't seem to catch a break. Vernon is not worthy of Maylan. And it looks like Isa got a raw deal with Birch to. Abel, kacy, Celeste and lique all need to suffer.

SHANNON FRASIER says

Great Book!!

For Issa to be ugly home girl sure has man problems?. I love her and Malaya friendship. The men are whole trip. Birch and Vernon don't know what they want. They keep messing with Lique and Celeste that why the poor girls so crazy. Very good book!!!

Wayneisha Swann says

I WANNA KICK THEM BITCHES ASSES I SWEAR!!! AND THEM HEFFAS NEED TO LEARN HOW TO FIGHT FA REAL!!! AINT NO WAY CELESTE LIQUE AND KACEY SHOULD BE GETTING AWAY WITH ALL THE SHIT THEY'RE DOING!!

Ladii Zig says

Different but I loved it!!!

This was so different from what I usually get from Miss.Tina J but I have to admit I loved every minute of it. Don't get me wrong I love the drug dealer always killing type of books but this here was also great because it also shows you could have a man that isn't in the street but could have the same respect from people who are in the street. I'm so anxious to find out who this Jeffery person is that Vernon speak of. I tell you Vernon was so ignorant and funny at the same time that it was crazy. I swear Abel is so full of crap and so is his baby momma Kacey. I feel as though they been planning to take Isa kids away but they probably wasn't expecting her to meet Birch. I just hope Birch didn't hurt Isa like he said he wouldn't. I'm also dying to know what happened when Birch and Abel came face to face. Patiently waiting for part 2 excellent work Tina.

Natasha Robinson says

On to part of two

Abel is full of motives and it's not just because he wants his gir baby mama back! I can't wait to find out what it is! But I'm scared rite now because i don't know what birch is about to do!

Excellent excellent excellent

This is different from your typical urban read with hot chicks and banging bodies and I enjoyed it! Tina J knows how to tell a story and get you caught up in it! I loved the characters as I either loved or hated them. I highly recommend anything by Tina J but especially this series

BookPlugJai says

Banger

Tina J you never let me down I really enjoyed this book. I liked how you made Isa a regular chick. I think her and Birch made a cute couple I like the way he came in and took over. I hope he don't hurt her. Maylan and Vernon were a mess. Vernon needs to grow up but he was funny sometimes. Abel said Isa had his heart but was ashamed of her not a good look. And them two birds Celeste and Lique made me sick I hope they get what's coming to them. I can't wait for part two.

Taz Will says

Enjoyed this one. Isa and Maylan had it tough but they were sticking it out. Isa was about to fall off in the beginning but luckily Birch smacked some sense into her. The guys were a-holes but in the long run they really did come off as good guys. Not sure what's really going on with Abel and the guys but hopefully the next one the drama will really pop off.

Mercedes Moore says

No

Couldn't hold my attention. Told too much, too fast and didn't make sense. Irrelevant characters who and not much verbs. Kelly switching from 1st, 2nd, and 3rd...all in one persons perspective.

Donta says

Hot Mess

A total different but the fellows are about their business. May and Isa have been homeless and struggled together. Now with a chance at lover and happiness snakes are everywhere. I hope part 2 brings them a brighter future.

Courtney Dee says

A great kind of different

As different as this book is, I have to say, it's amazing. But fuck birch and Vernon. I hate a fussy for a man but that's what they are. They need to keep their willies in their pants
