Rajesh Arumugam says

Excellent collection of short stories. Many of the stories in are really touching. I liked the following ????,
?????????????????, ?????????
????? ?????, ??? ??????, ??? ??????????, ??????????????, ?????????????
????? ???, ??????, ??? ??????. Awesome work by Jeyamohan sir.

Karthick says

?????????????????, ??? ??????, ??? ?????????? . My favourite and touching short stories.
Just read it.. Be simple live simple..

Bhavani says

Read the stories online , of which "Nooru narkaligal" made me sleepless for weeks.
enjoyed reading "ulagam yavaiyum" . "Peruvali" is a class story with all the metaphors.
Waiting to own the book and re-read it!

Hema Kushi says

Yaanai Doctor !!! It made me to think a lot about the human life as well as wild life..How creatures are created with enormous amount of pain tolerating skills..Now a days I started to feel the pain of street dogs with wounds..

Really a man is a Vain insect.

Aryvind Srinivasan says

In a book if one story becomes a lesson I would generally rate it high, if most of the characters in each story shows a lesson I dont know how to rate it and how to review it

This book is not collection of life stories but collection of great life lessons.

A story that took half an hour to read took me 2 - 3 hours to digest. Already have spent some sleepless hours at night because of this book. I am sure I am going to have much more.

I take great pride having read this book

Even in case u cant buy the book read it @<http://www.jevamohan.in>

Thanks @sathis and jayakumar for praising and inducing me to read it
Really thankful to @shakiel for lending it.

Just a word of caution, it might require complete concentration to understand the stories so be prepared

Balaji Santhanam says

The Below 5 short Stories are really Awesome and rest of the them are ok.

1. ??????????????
2. ???? ??????
3. ???? ??????????
4. ??????????
5. ????? ????????

Kannan Sv says

*"True joy blossoms only due to virtue;
all else cause unhappiness and disrepute."- Thiruvalluvar.

Title of book this "Aram which means "Virtue". A collection of 12 short stories based on the people who lived truthful life on their own way. All the stories concentrate on the core point "Virtue or Righteousness", the meaning of human life. It simply shatters the soul, penetrates through the thoughts there by changing the perspective of looking human life. The indestructible impact of this book and its personalities would haunt my life forever with my wet eyelids. One of the greatest books I've ever read and I'm grateful to the author for that.

Balakrishnan says

9 of 10 voracious tamil readers have recommended Aram to me before I took this wonderful piece on hand.. these are not fancies, fantasies, not nail biting ones either- but the stories that we live in everyday. Stories that we cross by but tend to forget as it goes and easily ignore. This doesn't take any sides - but would eventually leave the reader think through it pretty well. Aram, in my view, is much an educating stuff that deserves a case study on our high school.

Ps- I'm not initially able to follow the Southern accent but easily caught up with the travel.
