**Dark Temptation Jayne Blue**

**Born out of rebellion. Forged in the Texas heat. Come ride with the Dark Saints MC. Because everything's bigger in Texas.**

*Benz*

The club is in my blood. They were the family that saved me when evil destroyed my world. I live by the club rules and I've vowed to be sure everyone who wears The Dark Saints patch earns it. Dark Saints may be outlaws but we have a code. Break it and you're out, if you're lucky, you're dead if you're not. I'd rather die then go against one word of the Dark Saints Code. But that was before I saw Jen. That was before I touched her lips. Now I know. I know that no code is strong enough to keep me from her. We're sworn enemies. We've both vowed to hate each other. But the temptation of her body could ruin my soul and bring down The Dark Saints. Something's going to break, either the Dark Saints code or my heart, a black heart that she holds in her hands.

*Jen*

I hated him. I hated his club. I hated. My path was set the moment that bullet killed my daddy. I knew what I was going to do and just how to do it. But the funny thing about my plans? They didn't take into account how I felt when I really saw Benz. I knew in my head he was everything wrong for me. I knew where he came from and what that meant. His past and mine are entwined in violence and tragedy. But it didn't matter. The way my soul reaches out to his, the way my body comes alive when he looks at me, and the way he loves every part of me, has turned my carefully planned life upside down. The path I was determined to walk has forked. I either go with him for something wild that fills my senses or I finish him and his club forever. Just like I had always planned.

Note: All books in the Dark Saints MC series are standalone, full length super sexy, raw MC romance novels. They can be read in any order and DO NOT contain cliffhangers. They DO contain dark themes and elements about a fictional outlaw motorcycle club.

Title: Dark Temptation

Series: Dark Saints 2#

Author: Jayne Blue

This is the second book in the Dark Saints MC series

"Every Saint had past, Every Sinner has future"

will this Sinner have future with Jen ?

Will the past of this Saint hold him back ?

➡Benz (Benjamin Bass) the Sargent in Arms & has so much loyalty to the club for saving his life. Benz lives by very strict code, well he did until he met the new librarian

➡Jen (Jenny Guffy), who just graduated from the police academy & dreams to be Texas Ranger like her father & grandfather both with legendary Texas Ranger reputation.

➡Jen is out for revenge on the MC for what she believe they done to her family. Jen goes undercover as librarian

➡With Jen being the so call good guy (Cop) & Benz being the so call bad guy {criminal} How this steamy story will turn out?

I could tell you more but why? I'll spoil the outcome for you

➡I will tell you that Jayne did amazing job on this book (No surprise there) I love how Ms blue keeps you on the edge of your seat with the plot & that is action packed, it will draw you in with all the twists it keeps you guessing until the end. Again No surprise there

➡Hope you enjoy this read & also always keep in mind this is just my opinion

➡\*\*\* ? \*\*\*"I did received an ARC from this amazing talented author, but don't let that mislead you. ? \*\*\*".\*\*

Ok I am not rating this out of respect for the author.

I am a fan of hers and this may have just been a speed bump but I wasn't feeling anything at all with this story. I am so surprised because the first book in this series was a Home Run and when I saw this on sale I couldn't wait to get started but boy did it fall flat for me. I ended up reading about 60% and then just skipped until the end because I was so bored. There was way too much inner description of her family's past that I found boring

Jen comes from a family of Texas Rangers and is determined to follow the same path. When an opportunity arises to seek revenge on the MC club her father's killer belonged to, Jen is all in. She never expected to develop feelings for their member Benz or the way he made her feel. Nor did she anticipate that she could be wrong about everything she believed in.

I liked this story well enough but not as much as the first book. Jen is extremely judgmental and not a very likable person. For someone with

This is the second book in the Dark Saints MC series. I really enjoyed the conflict between Benz and Jen. They have such great chemistry, but could two people be so different but yet so right? The author did a great job with the storyline, I found myself sucked into it from the start.

Benz is the Dark Saint's Sergeant in Arms; the club is in his blood, his only living family. So therefore he lives by the code and will do anything in his power to not break it, until her. Jen has graduated from the

Another really good read in the Dark Saints series although this one did fall a little flat for me compared to the first book, Dark Vow, I loved reading about Benz and his story with Jen though.

I loved Benz's first chapter and how strong he appeared right from the beginning, I really enjoyed reading about his character. I wasn't a fan of Jen's through this book. There was something about her that annoyed

me quite a bit and it was hard to connect with her character which made the read a little s

If you are a fan of this author's work, then this book will not disappoint.

Dark Temptation is the second book in this series, though it can be read as a standalone. Jenny Guffy grew up hearing that her daddy was killed by a Dark Saints biker, so she forms a plan to slowly work her way towards bringing them down for the crime, the only problem is she didn't expect any feelings to develop for the hot biker, Benjamin "Benz" Bass. Benz knew the moment he met Jen that she belonged to him, and after o

Excellent contemporary motorcycle club romance. Jen came to town under the guise of putting the town's history onto digital. She has her criminal justice degree and has been through the police academy. Her grandmother raised her to hate the Dark Saints motorcycle club and her goal is to take them down. Benz sees the temporary librarian and interest sparks. Jen tries to use information she overheard Benz talking about against the club. Obviously, he doesn't know her real reason for being there. As much as I liked the book Dark Vow, the first book in the Dark Saints MC series, I liked this book more!! Benz and Jen are well crafted, interesting, slightly flawed characters. **Good read**

This book was OK. Not as good as the first book in Dark Saints though. I need more than a I love you after two days. That's not love its lust. As for her, I didn't care for her that much. Plus I don't find woman cops sexy at all when paired with a biker. Plus she is a bit of a wuss. She doesn't even check her facts first. Liked her better as a librarian. That would have been a better story. But after reading the ending maybe there is more for them and that's why she is portrayed as a co

Benz & Jen ?

Jen has a lot to prove, and has some preconceived perceptions coloring her view. Benz has a job to do for his club. All of that flies off in the wind when the two bump into each other and sparks ignite. Benz & Jen have off the chart chemistry and can't keep their hands off each other...in spite of personal and club issues. They have a very twisty path to follow if they want a HEA. I am loving this series!

They Are Connected In More Ways

An ARC was given to me and I agreed to voluntarily review it. My opinions are my own. This second story in this new series is intense, exciting and hot. She has already come to conclusions without know all of the facts. He's allowed a yellow dress to fog his brain and put him in a situation that he may not be able to handle. This is a very good and entertaining read. Enjoy I did.

A great action packed story.

I highly recommend everyone gets to know the Dark Saints boys.

Jen starts to investigate her father's death, her plan is to get close to the MC gang she's sure was involved to see what evidence she can stir up.

Well she certainly stirs up Benz, from the moment they meet its fireworks.
