# From Reader Review Escape From Cabriz for online ebook

## Janice says

All of Mrs. Miller's books are a GREAT read!! Always worth read over again!

---

## FeliciaKaren says

very spoiled rich and bitch heroine

---

## Alana F. Owens says

### Another Linda Lael Miller Love Story

Exciting love story with many twists and turns. The story was a quick and enjoyable read. It was a predictable culmination of events.

---

## Jewett says

I don't consider this one of her best but it is still quite readable even if it reads more like a fairy tale than a book to be taken seriously.

---

## Jeanne (love2cook) says

This is a typical love story. A lot of explicit sex but without it the story would have been very short. I've read better love stories, but it was a fast read and had a happy ending. So 2 out of 3 wasn't too bad.

---

## Desiree says

Yes, this is a romance novel. I was bored last night.

---

## CeCe says

Very different from Miller's usual books but in my opinion it was an enjoyable fast thrilling read.

---

### **Carol says**

I don't I've read a book by Linda Lael Miller that I didn't love. There were a few points in this book that didn't seem realistic, but they didn't distract from the story.

---

### **Suzy Manning says**

Never thought L.L. Miller would write a book with a heroine so unlikeable. What a biotch. Fortunately is attached to a great book, "The Outlaw's Christmas".

---

### **Kay says**

Sick of the "prescribed sex scenes" but they are easy to skip. I enjoy books, but the sex is so overdone...in my opinion.

---

### **Robin says**

I am a fan of Linda Lael Miller but this book fell short. The hero is one dimensional and lacks personality or emotion and the heroine though has personality but not much.

Kristin Meyers grew up with Prince Jascha in Cabriz and was always smitten with him. She ends up moving back to America to attend college and meets up with Zachary Harmon. She falls for Zachary and their affair ends in heartbreak for Kristin. Prince Jascha happens to show up and seduces her until she agrees to marry him. The Prince and Kristin return to Cabriz. Her fairy tale is about to come true. Or is it?

Near her wedding to the Prince two events happen 1)there is about to be a civil war in Cabriz and 2) her future husband has a dark side and has lied to her and considers a puta (whore). Then Zachary shows up - what will happen next?

---

### **karen says**

I did not like this as much as I thought I would. Kristin was a spoiled rich girl for a big part of the book. A little disappointment in her father. A better ending helped.

---

### **Christina Astorga says**

An enjoyable read

---

**Another Thyme says**

Boring.
