From Reader Review The Moody Bible Commentary for online ebook

Chris Galarneau says

It is a good starting place commentary, it is not an in depth commentary in each book, which should be obvious as it is a whole Bible commentary. I have found the work contained within to be scholarly and well done.

Melissa Hinnen says

This is a really helpful reference book for Bible study. It has a commentary on specific verses as well as broader themes. It also makes connections with other Biblical references. It was a little bulky to manage electronically since it is so much information.

Laura Langley says

The Moody Bible Commentary, a comprehensive one-volume commentary of the whole Bible, provides an objective look at the historical and cultural backgrounds of each book and help readers interpret Scripture in light of Scripture. Editors Dr. Michael Rydelnik and Dr. Michael Vanlaningham deliver a reliable and well-rounded resource for students of the Bible.

While it's clear that the writers are experts on their subjects, they write in a way that, while academic, is clearly understandable for any reader. The Moody Bible Commentary includes an outline of each book of the Bible, an introduction to each book, and then a more in-depth commentary following the outline given.

Honestly, I didn't read the entire commentary. The ebook review copy I received boasted 4,050 pages! But I flipped through every page and found the layout and font to be pleasing to the eye, not overly tiring like some commentaries. I did read chapters on some of my favorite books, like Deuteronomy, Ruth, John, Romans, Titus, and James. I also read the commentary on some difficult passages. I appreciated that the editors and authors seemed to treat things fairly, often showing varying viewpoints, but tempering it with logical explanations of which views are most plausible.

I absolutely loved the charts, maps and illustrations throughout the book. For visual learners, they add so much to the meaning of various Scriptures. For example, in the chapter on the book of Leviticus, one chart outlines "The Laws of Sacrifice," while an illustration of the Tabernacle makes the tent of meeting come alive. I also enjoyed how the editors placed an emphasis on reading the Old Testament through New Testament lenses as they helped readers see types of Christ throughout the Old Testament and even compared "The High Priests' Ministries and the Great High Priest's Ministry" in one chart. For those of us who are historically challenged, charts of the Kings of Israel (the Northern Kingdom) and the Kings of Judah (the Southern Kingdom) help keep things in perspective. In the New Testament, charts help readers grasp "The Eight Signs in John" as well as "Jesus' Seven I Am Claims." And, readers come to a clearer understanding of the book of James with the chart outlining "Parallels Between James and the Sermon on the Mount." Of course The Moody Bible Commentary wouldn't be complete without the Scripture index and

subject index at the end, which help readers easily navigate the extensive volume.

If you are looking for a one-volume commentary on the entire Bible, The Moody Bible Commentary fits the bill. It's reliable and academic, yet accessible to anyone. I highly recommend it for serious students of the Bible. It's got all you need—outlines, historical backgrounds, objective explanations, and charts, maps and illustrations that aid in clarifying meaning. This is one reference book you'll rely on time and again as you dig deeper into God's Word.

About the Editors

Dr. Michael Rydelnik (Azusa Pacific University; Dallas Theological Seminary; Trinity International University) is Professor of Jewish Studies at Moody Bible Institute and the Bible teacher on Open Line with Dr. Michael Rydelnik, answering listener Bible questions on over 200 stations nationwide across Moody Radio. Rydelnikl served on the translation team of the Holman CSB Bible and contributed to several other books and study Bibles. He and his wife, Eva, have two adult sons. The Rydelniks live in Chicago, IL and enjoy leading study groups to Israel and hiking with their two collies.

Dr. Michael Vanlaningham, editor, is professor of Bible at the Moody Bible Institute in Chicago. He received his M.Div. in Systematic Theology from Talbot Theological Seminary and his Ph.D. in New Testament and Pauline Studies from Trinity Evangelical Divinity School. He has written a number of articles for The Master's Seminary Journal as well as other publications.

* Note: I received a copy of this book from NetGalley for this honest review. However, the opinions expressed are my own.
