## **From Reader Review Pokemon Yellow - Prima's Official Strategy Guide for online ebook**

### **Brooklyn Tayla says**

Such a fantastic guide - it's helped/continued to help me so much with Pokemon Yellow! :)

---

### **Katie says**

This guide will help you get through all those difficult situations or lost moments!

---

### **Ashley \*Hufflepuff Kitten\* says**

Where I had the Crystal walkthrough book, my cousin had this one and, like mine, it was beat up and creased and so loved because we played these games every single dayyyy <3

---

### **Cassi says**

This was a book I kept revisiting all throughout my childhood. I finished Pokemon Yellow really quickly without its help before I got it, but after I got Red and Blue, it became an invaluable asset. I added my own notes (like where hidden items are) and it's made each playthrough that much more fun. It's like a relic from my childhood now. Its pages fell apart and it's in terrible condition, but I will never get rid of it. I'd still use it today.

---

### **AAADDxDDDDDDDDDDDDRRRRRIIIIIIIIIIIIAAAAAAAA says**

Really boring.

---

### **Lauren says**

Nice little guide.
