Along with Master Zho, and the criminal in his custody, Teff'ith, Theron is headed to Port Nowhere. He hasn't got a plan or any idea what he may be going to face, but for a spy, he's got great style!

### **Reconnaissance Patrol Time**

This is the third chapter in this 5 part series. SIS agent Theron Shan has discovered the Sith Empire's devastating new weapon and is aided by a smuggler (reluctantly) and a former Jedi Master who is not what he used to be. Storyline is great, artwork is not. The covers are beautiful.
