Taylor Swift: The Whole Story Chas Newkey-Burden

The full story of Taylor Swift's stratospheric rise to fame; all any dedicated Swiftie needs to know about the pop superstar who's taking over the world.

A small-town girl with an incredible talent, and the strength to realise her dream, Taylor has grown into an award-winning, chart-topping artist and worldwide star, as well as a strong and stylish woman. But how did she get there? And what lies in store for her in the future?

From childhood dreams of a musical future in Pennsylvania, to determined and budding teen musician with a trademark she's stayed faithful to ever since: honest lyrics about real-life events; her fight to be taken seriously in the music industry, through to the rewards of success and the intense pressure of expectation, Taylor Swift: The Whole Story is a full account of Taylor's incredible journey, with everything you need to know about America's Sweetheart.

This compelling book is packed full of fascinating details revealing the true Taylor – what drives, motivates and moves her, how she overcame the challenges that loomed on the road to fame and how authentic her wholesome image is, plus the truth about her relationships with Harry Styles, Jake Gyllenhaal and Conor Kennedy and who she's really talking about on her tracks.

The full portrait of a girl who could so easily have faded into the background – but who blossomed in the spotlight into a grounded, graceful and inspiring young woman.

From Reader Review Taylor Swift: The Whole Story for online ebook

Alyssa says

Taylor Swift is an inspiration to millions of young girls in the world, myself included.

Jackie Keating says

The fact that the writing was terrible and the book was unauthorized, meaning zero first-source quotes from Taylor makes this a 2-star read. However, I did learn some things about her I didn't know, so that was cool.

diana sharp says

Hi

Hi

Hi

Hi

Hi no one of duty and the flash player or a girl that was my name of duty and the night sky with my mom is here.

Jayne Downes says

A great read for all the "Swifties" and I am proud to be a Swifty in my fifties. Even though it is unauthorised it has good information about Taylor's life and who she wrote the songs about.

Taneishq says

Author: Chas Newkey-Burden

Title: Taylor Swift: Unauthorized

Publication Date: 2014

The book is a biography based on the pop-star, Taylor Swift's life. She is a girl with talent from Pennsylvania, and has high intelligent levels from her family. "Her 4th album, Red, had taken her total record sales beyond 26 million"!

The author's purpose is to show how Taylor started her huge career, and is trying to inspire others too not to

give up in a dream. The author is trying to show a different side of Taylor Swift, that people haven't recognized. The indented audience for the book is young children or even adults to never think that even if your talent hasn't been seeked or how many times you've failed: NEVER GIVE UP ON A DREAM.

Yes, this author is someone I can trust, as he has written many biographies and he is a well-known journalist. He is a British journalist and author, and he has written 29 books, including: the three official books in publications for Arsenal, football team. I don't think they have a particular agenda that they are trying to make my agree with.

Yes, the book does achieve the author's goals. Evidence that it has is: the book gives examples of how she is

It is a true inspiration for people who have dreams to be singers, and that Taylor Swift's life is far more interesting than noticed.

Bri says

This book is a really good insight on Taylor's fame! It is very informing and even gives off explanations to songs that most people most likely wouldn't know! I bet no one knew Taylor starred in a few plays !!!

Andre Mouraria says

It was ok! Good to know some details about Swift's life I didn't know. Like her romance with Jake Gyllenhaal and how she suffered bullying in school. Nothing more special than that, so it was just ok!

Vickie Dianne Showers says

Taylor Swift

Very Unique! different, I liked what I read. Interesting. This book is an inspiration towards my own goals. Thank you Taylor Swift.

nakialia vanduyne says

Why I Like It!

On Taylor Swift: The Whole Story
It is awesome and I understand everything
I liked it because she expresses her fellings

eva j. suda says

Great

What a magical person. No wonder She is so talented. Very smart, She is amazing. Good read. She has a long way to go.

Sandra Burns says

Great read

I knew little about her, but wanted to find out why so many dislike her. She worked toward her goal, even as a kid. She is different, people do not like that, but I do!

Nikki Flynn says

I really loved getting even more backstory about Taylor's life. It was really interesting and I'm glad I read it.

Jolene Cynthia says

Note: I am not a fan of Taylor Swift, but I can tolerate her songs okay. My sister is a massive fan, and one of the reasons I decide to pick up this book.

I'm not sure what the writer of this book is trying to do. She tries to portray Taylor in an angelic light, endlessly gushing on how determined she was, so when it was finally mentioned how selfish she was (uprooting her whole family to Nashville is totally not selfish at all), it's almost a relief.

At Nashville the writer makes it out as if everything was smooth-sailing for Taylor, though I am pretty sure it wasn't without a few bumps. Again, the angelic theme persisted, and Taylor seemed like a unicorn who kept shitting out song after winning song (no, seriously).

Once more, it was a relief when Taylor was finally signed, and become the big star she is today. The writer's version of hip-hip-hooray comes in the form of a short interview transcript, and various people of dubious fame describing her. My favourite? Harry Styles, I quote: "She was a pain in the arse." I am not a fan of One Direction nor Harry Styles either, but I do have to agree with him – the writer was most certainly a pain in the arse.

Heather says

Lower end of three stars. I wanted to learn more about Swift's story, and I did. But I could've just googled a whole bunch of articles instead. I guess that's the way unauthorized biographies go.

Mark Ponyze says

cheeky gossip
