Teacher Love Stephanie Reed

Lots of kids wake up in the morning, get dressed, eat breakfast, and go to school. It's a place where they can meet other children and play, but most of all learn. It's even more fun and rewarding to go to school when you know your teacher cares about you and loves you.

FTC Disclosure: I received this book free from Goodreads hoping I would review it.

Amber says

A wonderful little book. A perfect gift for a teacher from students, friends, or family. A great diverse among the students of the class in the book. Simple to read, for small kids - kindergarten or younger.

Sian says

Adorable book for any great teacher!!
