The Demon Prince of Momochi House, Vol. 7 Aya Shouoto

Himari Momochi inherits a mysterious house that comes with its own gorgeous demon guardian.

On her sixteenth birthday, orphan Himari Momochi inherits her ancestral estate that she's never seen. Momochi House exists on the barrier between the human and spiritual realms, and Himari is meant to act as guardian between the two worlds. But on the day she moves in, she finds three handsome squatters already living in the house, and one seems to have already taken over her role!

Himari Momochi inherits Momochi House, an estate which exists on the barrier between the human and spiritual realms. Aoi's powers have weakened, and he begins to recall fragments of his childhood. Someone from the past has infiltrated Momochi House and is after Aoi!

Amanda at Nerdification Reviews says

This volume feels like an end to the first arc. The second arc will begin with heightened drama and stakes for the fate of our lovable human Aoi.

Lex says

Okay so I'm wrong. LOL. BUT WHYYYY. NUEEEE. AOIII.

Victoria ? says

THE CLIFFHANGER!! OMG!

I don't know why it took me so long to get to the last 3 chapters in this volume, probably because I don't wanna read it all too fast so I have to wait...that's probably it.

I really loved the ending of this volume and I really wanna jump into volume 8 straight away tbh!

Amanda Setasha Hall says

Why do these volumes always end in an AMAZING cliffhanger? THIS IS SO UNFAIR.

Melissa says

In Volume 7 of *The Demon Prince of Momochi House*, Himari and her school friends investigate a mysterious park ghost that is said to kidnap children. Also, Himari and the other residents of Momochi House learn more about Himari's teacher Mr. Nachi and why he knows about Aoi.

I enjoyed learning more about Mr. Nachi and Aoi in this volume, though I was disappointed with the conclusion. I also feel a little more time could have been spent giving more details behind Mr. Nachi's mysterious past. But overall, I enjoyed this volume.

Jessica says

[Noooooooo, I like Aoi. The fact that he can't transform back to Aoi from Nue, his Ayakashi form, scares me. This better not be permanent. (hide spoiler)]

Kate says

The Demon Prince of Momochi House is not a bad story, but I am having such a hard time liking any of the characters. I don't find any of them interesting and some of them are just icky to me, such as the Nue, who just bugs me every time he shows up in the story.

Joss says

February 2017: 4.5 Stars (Shown as 4)

This volume was hugely interesting, what with the mystery of the Kagome Park Ghost explained, and a very intense battle began and concluded. Honestly, this series keeps getting better and better. I feel like it's gradually getting creepier, too, which was something I was hoping for when I first picked up the series. And as always, I can't stop raving about the art! Shouoto is so damn skillful with the textures she uses, and her action panels are getting more and more interesting. I'm hooked on "The Demon Prince of Momochi House", and can't wait for the next volume!

P.S. I really, really hope Shouoto and her publishing team release an art book of all her covers and splash pages- I'd kill to see them enlarged, and in full colour!

Nikki says

THAT ENDING!! OMG!! And Vol. 8 doesn't come out until APRIL!?! I'm not gonna make it. Just... just go on without me... *keels over*

Obviously, I'm HUGELY enjoying this series. It just keeps getting better and better.

Dani - Perspective of a Writer says

*Check out more **manga and graphic novel reviews** @ *Perspective of a Writer*...*

As the 7th volume of a manga my rating is affected by the previous volumes! See my review of volume one... and my review of volume two... and my review of volume three... and my review of volume four... and my review of volume five... and my review of volume six...

On her 16th birthday, orphan Himari Momochi inherits the ancestral estate she's never seen. Momochi

House exists on the barrier between the human and spiritual realms, and Himari is meant to act as guardian between the two worlds. But on the day she moves in, she finds three handsome squatters already living in the house, and one seems to have already taken over her role!

Oh the art, the art! The battle pages are too gorgeous... but there are many frames that make this art dynamic! I really love that the mangaka puts so much effort in each and every frame... to showcase emotion, establish circumstances and understand relationships. And she puts just as much effort in crafting a lush and rich story too! This is also one of my favorite covers so far, gorgeous!!

The plot finally goes there... and the wait has NOT been disappointing... And our mangaka doesn't devote half efforts to revealing... how Aoi became trapped in Momochi House!! I know this is one aspect of the main story arc that every reader has been waiting for and we get an unexpected mirror to Aoi. We get a betrayal and Aoi seems to finally reach a conclusion about Himari. All because of this major event!!

I'm always fascinated by the Nue, especially when we get glimpses of what he feels and thinks... We tend to think of Aoi as being the same as the Nue but Himari is always reminding us they started as separate beings... And this idea and Aoi's worries finally come to a head due to this villain and how personal Aoi's story is with him. This authenticity is so powerful!! You can see why the previous volume was so important!

I am always startled when a story success for Himari and Aoi actually ratchets up the tension in the story instead of settling it!! I'm SOOOOO glad I had the next volume and could simply jump into it! The cliffhanger ending is quite a doozy but you won't regret getting to this point... we knew this was coming and now the time is here.

????? Authenticity

????? Tension

????? Plot

????? Art

BOTTOM LINE: Oh no, oh no... HA! After all that I'm glad I have the next volume...

Emma says

4.5 stars. Wow, this series keeps getting better and better! We learn Aoi's story about his past and how he ended up as the Nue in Momochi House. I'm loving the forbidden romance between Aoi/Nue and Himori, and I'm so curious to see how it turns out!! This series is fascinating because it has a lot of Japanese mythology and information about common beliefs, nursery rhymes, and legends.

DonutKnow says

Woah Mr Nachi looked so cool! But it's a shame he's an ogre ?

And OMG talk about ending on a cliff-hanger! Aoi can't transform back? What's going to happen next?!

Anna Marie says

The great reveal, Aoi past is told, what a surprise.

Kaitlin says

I am so shocked for words!!! So Aoi was ostracized and possibly abused because of the fact that he can see the spiritual realm. I felt bad for him and for Mr. Nachi. However now Aoi can never change back from Nue. I really want to know what happens next!

Sara says

This one was a little bit confusing. Maybe it's been too long since I read the book before it? And it is breaking my heart at the end of it.
