**Bound By the Past** Mackenzie McKade  
Breaking the rules to heal a broken heart.

Ties That Bind Book 2

Years of neglect and disappointments have molded Jessica Evans into a strong, independent woman, determined to live life by her rules. The only place she's willing to relinquish control is in the bedroom. Even then, it's only on her terms.

A safety net of multiple partners keeps anyone from getting too close. That is, until one sexy cowboy throws a snag in that net, big time. Not only does Wade Peterson make her body burn, he's crossed the line. The damn man wants to marry her.

For Wade, sharing her with another man is almost more than he can bear. But if he pushes too hard, he could lose her for good something he refuses to allow to happen. Jessie's rejection isn't the end of it, not by a long shot. He's back, and he's hell-bent on seducing her right back into his wicked arms.

Then her past comes back to drop a bomb in her lap, and Wade sees a part of her he didn't know existed and another obstacle that could drive her to push away her only chance for love."

### **Naomi says**

I thought this second book in the series was so much better than the first. Once i started reading i couldn't stop. LOVE LOVE LOVEEEEEEEE WADE!!!!!!!!!

---

### **April says**

Yummy cowboy menage!!! Really enjoyed this book and all the delicious bondage play!

Super steamy action, good lord girl, you'll need a shower! I do love a smexy menage scene!

The story was thin but still enjoyable. I would have liked more but in the end it was a nice ride!

---

### **Marion says**

Because of her childhood Jessica Evans knows the only person she can rely on is herself. She has a no strings attached affair with sexy cowboy Wade and her best friend Clancey. When Wade proposes to her she turns him down. She is afraid to admit that she has very strong feelings for him and tries to push him out of her life. When her deadbeat father shows up she gets the surprise of her life. She has a six year old step sister. Jessica does not want to have feelings for this little girl but when her father leaves without a word and leaves the little girl behind she assumes responsibility for her. She watches how tender and loving Wade is with her step sister and just falls more in love with him. She has to decide if she can afford to trust and accept Wade.

The love scenes were hot and kinky. The story at times put you on an emotional roller coaster, especially when it came to the little girl.

---

### **Kimberly says**

Neglected as a child and subjected to countless disappointments, Jessica Evans doesn't want to believe in either love or relationships. Determined to keep true feeling at bay, Jessie uses ménages with her best friend Clancy and other men as a safety net. She can enjoy the dominance she craves in the bedroom, but on her own terms. But Jessie's safety net is torn away from her when Wade Peterson asks her to marry her. Though she turns Wade down, Jessie still can't get him out of her mind. And if the struggle to tamp down on her feelings for Wade wasn't hard enough, Jessie's past soon resurfaces with additional complications that unsettle her hard-won control.

Wade is crushed when the woman he loves rejects his marriage proposal. However, the sexy-as-sin cowboy isn't about to give up so easily. He might be willing to share Jessie with Clancy to keep her, for now, but the desire to have Jessie only for himself soon becomes too much. Will Wade be able to win Jessie's trust and

show her that true love and happily ever afters can exist?

Mackenzie McKade does it again! *Bound by the Past* is an emotional, engaging, sensual read I could not put down. Wade is meltingly sexy, patient, dominant, and loving – the epitome of the perfect hero. In the hands of a lesser author I might have become frustrated with Jessie and her determination to stay distanced from Wade. However, Ms. McKade made me understand Jessie's fears and sympathize with her. I adored her and loved watching her grow into someone who was able to accept love and give it in return. As for Clancy, Jessie's best friend and the third in the couple's threesomes, he has me crying out for his story. He's kind but tormented, supportive of his friends but in need of someone to love him and help him overcome his own past.

*Bound by the Past* is the second in the *Ties That Bind* series, but can be read as a stand alone. There is a brief mention of the hero and heroine of the first book, *Bound for the Holidays*, but having not read that book (yet), I don't feel I missed anything for this particular tale. I dearly hope Ms. McKade continues this series with books for Clancy and Wade's siblings.

At turns tender and titillating, *Bound by the Past* is a book I Joyfully Recommend. Ms. McKade delivers a fantastic, blazingly hot tale with characters that will capture your heart and a romance that is truly sigh-worthy.

*Recommended Read. Reviewed for Joyfully Reviewed.*

### **Lisa Barker says**

What a ride!!! thank you ;)

---

### **Farzan says**

this book showed something which was passion and also lust for someone who's losing someday.

---

### **Crys says**

after i read 50 shades i read this bc of a recommendation by a friend. i enjoyed the characters trip to romance at the end however the sexing with 2 guys at the same time turns me off. this book does have a lot of heat.

---

### **Janet Juengling-Snell says**

Even if this was book 2 in the Series, it could be read as a stand alone. And I totally enjoyed it! I fell in love with both Jesse and Wade, but it was Clancey who stole my heart. I can't wait to read his story next!! I'm off to read Book 3 *Bound by an Angel*.
