Man of Many Faces, Vol. 02 CLAMP

Akira Iijun lives a double life as a top student at Clamp School and as the infamous thief 20 Faces. He steals at the whim of his two crime lord mothers until his life is changed forever by a chance meeting with the lovely Utako. Featuring cameos by other Clamp School characters, Man of Many Faces is a romance that spans years, as childhood crush turns to true love. An absolute must that no Clamp fan can do without.

5 cups of tea out of 11

We watch the characters from the first volume grow up.

I read to the end. Don't regret it.

The stuff with Akira's dad was awkward because there's no explanation for the situation.

I loved reading this! It was wonderful reading a happy story from CLAMP for once, and a love story on top of that! I will eventually have to get these to complete my CLamp School set. This was truly a delight to read, and with a positive outlook on love.

Nice one.

Imogen Brand says

I absolutely adore Clamps Man of Many Faces series from start to finish my only objection is I wish the ending did not end so abruptly.

Miss says

still goofy and cute! i wouldn't mind reading the story of akira's moms and dad, does that exist? also there was some quality fluff in those last few chapters, CLAMP has a gift for making me warm to ridiculous

romances. 3 stars
