## From Reader Review ???????? for online ebook

**Inês says**

"There are times when I tink I'd like to be a great artist-  
You know, like Rimsky-korsakov  
Or maybe become famous overnight, live tchaikovsky.  
But whenever I really think about it seriously  
I like my own name best-  
Vladimir Mayakovsky"

That's how it ended this beautiful satirical play.
